Humane Society of Carroll County Annual Partner Program

The Humane Society of Carroll County depends on the generosity of our community to provide lifesaving care for thousands of animals every year. By becoming an Annual Partner, your organization directly supports medical care, spay/neuter services, microchipping, and other critical programs, while gaining visibility and recognition in our community. We offer several levels of partnership to suit a range of commitment levels, including naming opportunities, program support, kennel sponsorships, and in-kind contributions.
